

Clinton Historic Preservation Commission  
Minutes of Meeting  
Dec.21,2011

Members present- Crawford-Jones, Hansen, Wood

Due to inaccessibility to our meeting room, we held the meeting out-of-doors, which the unusually warm weather afforded.

The treasurer has no report at this time.

We discussed trying to revisit the note cards that John was putting together at one time.

We agreed that attending Council meetings would be good for our commission's goals and visibility.

The great success and the excellent work by Rosemarie and Allie at the Leigh Mansion's celebration were noted.

We felt the lack of John Leddy's presence at the last few meetings.
